

Tormarton & West Littleton

Important Information

***"Coronavirus"* - How we can help each other**

The coronavirus is causing many difficulties and uncertainties for us all - so now is the time to help each other. The leaders of the Parish Council, Churches, local businesses, and other organisations in Tormarton and West Littleton have got together to organise support for anyone who may need help.

Volunteers are needed

First, we would like to bring together a pool of volunteers who would be willing and able to provide help and support for people in our community. If you would like to help in any way, no matter how small, please get in touch. This could be driving, picking up shopping for those who are isolated, dropping in for a chat with someone whose normal visitors can no longer do so, or simply just checking-in on someone to make sure they're ok. A small amount of your time could prove invaluable, so if you would like to help please email or call us using the contact details below.

If you know someone who may need help or support, or you need help yourself

Young or old, if you are in isolation it can be challenging to organise for your day to day requirements, or if you rely on family members who themselves may be in isolation then this can be equally as challenging. Whether you need help with collecting your shopping, help getting somewhere, or would just appreciate a friendly person to chat with, please let us know. Likewise, if you know of anyone living on their own, or possibly has a limited support network, then please let us know by email or by calling us using the contact details below.

Who to contact

Noreen Finnamore has kindly offered to coordinate support. If you would like to volunteer please send your name, contact details, and the type of support/help that you could offer to Noreen by emailing her at Noreen@thefinnamores.com.

Alternatively, if you require help or support for yourself or for someone that you know then please call [07836 370728](tel:07836370728) - if there is no answer then please leave a message with your contact details and Noreen will get back to you as soon as possible.

Remember - Help is important

It's more important now than ever before that we all pull together and help each other through the difficult and no doubt anxious times ahead. So, if you can offer help, no matter how small the amount may seem, please get in touch. That small amount of help could make a huge difference to someone's day! Please put the word out that help is available.

Further information

We will post important notices, updates on our progress, and further information on the village websites www.tormarton.org, and www.westlitleton.com, and through the next newsletter, and of course through good old word-of-mouth.

Spread the word, and together we will get through this.

On behalf of Tormarton Parish Council
