New Vicar - The process to find a replacement vicar moves slowly; after consultation with the other parishes a document has been produced setting out our requirements and hopefully this will enable the position to be advertised shortly. It is likely that if an appointment is made it will take a considerable time and a new vicar is unlikely to be in the post before the end of 2026. We remain hopeful that a suitable person will come forward but in the meantime we are blessed to have a ministry team that are supporting us led by our curate Rev Sharon.

WEST LITTLETON Madrigal Evening

The Bristol University Madrigal Society will be performing at St James's Church on Friday 20th March at 7.30pm to be followed by a home cooked supper and cheese course at The Fine Cheese Company, Tolldown. There will be a retiring collection in the church after the concert. All of the proceeds will go towards the upkeep of the Church.

There is no need to pay in advance but to make sure that neither the concert or the supper are too overcrowded please email sallyyoung106@gmail.com if you'd like to come. We don't yet have the facilities for card payments so please bring cash.

Carol Singing in Tormarton

We had a fun but chilly evening as we visited homes on the high street and along Marshfield Road. Our thanks to all to those that contributed to the wonderful collection of £175 to be split between The Children's Society and Medicins Sans Frontieres which supports people affected by war in Ukraine, Gaza, Syria and the Sudan.

PARISH COUNCIL - NOTES from the Chairperson Katy Pool

It's been a cold and then wet and windy start to the New Year, but a relatively quiet time over Christmas and January for the Parish Council.

Potholes

We're very aware of the state of our roads in the parish and have been liaising with South Glos Council on the large number of potholes within Tormarton particularly, but also in West Littleton. We've provided a detailed list (and some images) and have been told that 'all jobs are on the list are awaiting repair. Sadly, the reality is that there are thousands of jobs awaiting repair across the county, so the scale of the problem compared to the budgets allocated are disproportional'. An inspector visited Tormarton last week (22 January), so we are hopeful that repairs will be made soon. To help us put pressure on South Glos Council to repair potholes, it really helps if everyone reports a problem on <https://beta.southglos.gov.uk/report-a-pothole-damaged-road-footpath-or-cycleway/>. The more reports, the quicker the action.

20 mph speed limit for Tormarton

We're pleased to report that a 20mph speed limit within Tormarton Village including Marshfield Road (in part), High Street, Church Lane and Spye Park Lane has now been added to South Glos Council's investigation list. All schemes must pass several stages of further assessment and selection before they can progress to construction or implementation. We'll keep you updated.

Have you downloaded the **South Glos Council app** which has been made available for residents. It has lots of great features – from information on planning to reporting potholes and looking up waste and recycling collection days. <http://www.southglos.gov.uk/app>. Once signed up to the app, you will also receive a reminder for next waste collection dates directly to your smartphone!

The **next meetings** of the Parish Council will take place at the village hall on Monday 2nd February and Monday 2nd March at 6.30 pm. You are all welcome to attend or to raise any issues you'd like to have discussed by writing to the Parish Clerk at clerk@tormarton-pc.gov.uk

PARISH HALL NEWS from Stewart Waters

The next meeting of the Parish Hall will be on Monday 9th Feb at 8.15pm at the Hall. Minor maintenance works continue to be completed and improvements are being considered to the drains, doors and general decoration. There will be a summer activity and the Dog Show will be held in the autumn, dates to be confirmed. The AGM will be held in May and if anybody wishes to become involved with this committee then please do speak to one of the existing committee. It is not an onerous task!

TORMARTON PLAYING FIELD

Tormarton FC are currently having a really good season with both teams pushing for Promotion.

Our Firsts are currently 5th in division 1 and are 2 points off 4th place.

The firsts only have 2 games from now and until April and they are both away to lower opposition. We hope that our firsts will be in the top 4 come their next home games on April 4th when they welcome local rivals Chipping Sodbury to the recreation ground.

Our reserves are currently 4th in division 4 and have 3 games in hand against the teams above them.

Our reserves have a lot more games from now until April with home games being;

ROY GODDEN

I am sure many of you will have already heard the sad news of the passing of Roy Godden, past landlord of 'The Majors Retreat' and longtime resident of Tormarton. I think that we can all agree that Roy was a colourful member of our community for many years, both in his choice of waistcoats and views. Always keen to share an opinion or two with his regulars, and ever present as a source of 'interesting' trail advice to those navigating the Cotswold Way, I am sure that his anecdotes will live on in the memories of many for a long time. There will be a memorial and celebration of Roy's life that will take place at the 'Compass Inn' on Sunday 15th February at 2.00 pm. Let's give him a send off that he would have loved, by raising a glass and sharing a memory or two. Please can you contact Bridgette on 07818 350808 if you are planning to attend.

JOHN DOUBLEDAY

John Doubleday's funeral will take place on Thursday at 11.15am in Tormarton Church and due to the many circles that John was involved with it is likely to be well attended. John was a local farmer from Tolldown who lived next The Crown for 40 years. Prior to that he had been a surveyor in Chipping Sodbury but was more often recognised for being one of the lynch pins in the Bristol Rugby success of the late 1970s and early 1980s and most memorably the winners of the John Player Cup in 1983. Originally his family were from Monmouthshire and after a short spell with Newport he transferred to Bristol and as a front row forward he was selected to play through the age grades for England and in the international match day squads on a number of occasions. He toured Japan in 1979 with England and played in the second test.

After his rugby career he concentrated on his farm and his family, his wife Joy who was very active in the village and their two children Laura and Jamie. Sadly Joy passed away in 2019 but John remained active and would often be seen at services in Tormarton Church proudly wearing his Barbarians tie. He was also known for being the landlord of the Cross House, Doynton and enjoyed his golf. His determination in all that he did remained as strong as ever until his sudden passing. John would have turned 70 In January and is survived by his father, two children and three grandchildren, soon to be four. Our thoughts and best wishes are with his family and close friends who have lost a big man in all senses.
